

FOOTWEAR

Fully enclosed, flat soled shoes, that are in good order and not outlandish, are to be worn as part of the COD. This ensures that basic safety and health issues are addressed. Students participate in physical activities most days of the week so sports shoes are recommended everyday as well as being a requirement for all sports events. CHIDLOW PRIMARY SCHOOL

CODE OF DRESS (COD)

AIMS AND ASPIRATIONS

The Code of Dress has been established in consultation with the school community and in direct response to concerns of staff, parents and students. This code clarifies many previously expected uniform requirements and outlines criteria for exemption as well as proposed consequences for non compliance.

During the implementation of the COD, students and parents will be given guidance as to the desired standard of dress; if you are in any doubt please check with staff.

It is hoped the Code of Dress will :

- Decrease superficial rivalry between students
- Provide convenience and cost savings for parents
- Ensure students are safe from environmental dangers
- Ensure students are immediately recognizable while on school grounds and during excursions
- Increase the school spirit and sense of belonging
- And promote the school's positive image

EXPECTATION, EXEMPTION AND CONSEQUENCE

It is a requirement for all students to wear the approved Code of Dress. Exemption or modification from the COD, on religious or other grounds needs to be negotiated with the Principal upon enrolment. For excursions or any activities where the students are representing the school it is a requirement for participating students to be in full school uniform.

Any student who arrives at school in dress that does not meet the specified requirements may:

- be asked to report to the front office.
 - be offered appropriate clothing to change into for the day. This clothing is to be returned at the end of the day to be laundered.
 - receive a letter to take home further explaining the requirements.
- Upon continued breaching of the code (extreme circumstances) be withdrawn from non-essential educational activities such as excursions.

The COD aims to provide a choice of good looking, comfortable and affordable clothing to students. A full range of suitable clothing, both new and secondhand is available from the P&C uniform shop at strictly minimal margins.
